

# The Mad House

Welcome to the Summer 2008 Mad House email Newsletter, unlike this time last year it certainly does feel more summery at the moment.

**Green Park News** - You may recall from previous newsletters that Green Park was given the go ahead for a new railway station recently, work is due to start later this year and initially it will run a half hourly service to Reading and Basingstoke town centres. More recently Green Park has now received approval for another stage of it's overall 'master plan' which is to build Green Park Village, a ground breaking sustainable new community in south west Reading.

The approved proposals will see the introduction of more than 700 high quality, energy efficient houses and apartments, with a village hall, café, restaurant and shop. The village will also include 16,000 sq m of offices and a village square set around landscaped open spaces and a 10-acre lake.

In addition, a new 210-pupil primary school with a nursery class is planned next to the village square with shared sports facilities including a five-a-side football pitch. We will keep you informed!

**Summer Holiday Club** - The holiday activity club will be bigger than ever this year, as we have received approval from Ofsted to increase our place numbers to 32. The club starts on Monday 28th July and runs until Friday 29th August so if you need some additional flexible childcare or fancy giving the Kids a treat or visa versa! Get in touch and ask for Sarah or Kelly. Block booking discounts and all main childcare vouchers accepted.

**Don't forget your Card!** - If your' planning on visiting us over the holiday period don't forget your free loyalty card, you'll soon rack up those rewards and savings which are totally flexible and can be taken whenever you want. As we've extended our advanced party-booking discount to cover all of 2008 that means that it's possible to get up to a massive 25% off parties at The Mad House.

**More Guns** - Due to the popularity and the demand for bigger parties we will be acquiring some more **X-Blaster** laser guns so if you felt that you left out some of your child's friends fear not, hopefully from Mid September you can have an even noisier party - just the way we like them!

**Have a great summer and we look forward to seeing you soon  
(And don't forget the air conditioning is lovely if it stays too hot!)**

**We look forward to seeing you soon.**

**Regards**
